

Welcome!

Whether you are coming back to us for another year, or new to the school, welcome. It was great to see you all ship shape and ready for the new term. The teachers have worked hard to get their classrooms ready, and to plan for a fantastic term's learning, and the children came bouncing in with energy and positivity, so we have had a great start to the year.

Next week we have our Meet the Teacher evening at 6:00 in the hall. I did say that I would be looking for volunteers that night to help organise a school disco, so please consider it and sign up if you can!

I will send information about clubs out next week. There is no Football Club this week. Clubs on offer will include Jerriais, Signing Choir, Choir, Craft Club, Eco-active club, Netball and Football. We will also be holding elections for School Council in a couple of weeks. Your child may well bring home a manifesto sheet to work on, if they are interested in being council reps.

This term we are undertaking an art project throughout the school to decorate the windows of the parish church with poppies for Remembrance Sunday, and these should be displayed the week before for you to go and have a look at. Although we have had volunteers from school go to lay a wreath each year, the 11th November falls on a Sunday this year, and we would like as many children and staff to attend the service as possible as it marks the 100th anniversary of the end of WWI

If your child has any concerns or you have any questions, please come and see your child's class teacher after school.
